

START WORK ON MACLEOD- PITCHER CREEK SECTION OF RED TRAIL—GRAVEL WILL BE ALL IN PLACE EARLY IN COMING SPRING

McDonald and Foster, the graveling contractors on the Red trail, have completed the graveling of the section of road between Macleod and Lethbridge and have moved their gravel crushing outfit from Macleod to a few miles east of Pitcher.

They started operations there Tuesday, and will work from the west end toward Macleod. They will operate three gravel pits, one east of Pitcher, one east of Brockton and the third at the C. P. R. gravel pit west of Macleod. Weather permitting the graveling should be completed by the middle or the end of March at the latest.

Before the spring is well opened up Lethbridge and Macleod will have all-weather roads right through to Crow's Nest west and to Edmonton north.

One year in college made daughter almost a perfect lady, but she just will pop her gum.

ADVERTISING MORTGAGE SALE OF VALU- ABLE FARM PROPERTY

Under and by virtue of the Powers of Sale provided by the Land Titles Act, under a certain mortgage which will be produced at the time of the sale.

There will be offered for sale by public auction at the Court House in the Town of Macleod, in the Province of Alberta, on Saturday the 10th day of February, 1929, at the hour of twelve o'clock noon, the following property, namely:

The north west quarter of section sixteen (16) in township ten (10) range twenty-six (26) west of the 4th meridian excepting all mines and minerals.

Terms of the sale to be 20 per cent. cash at the time of the sale, and the balance according to the terms and conditions to be made known at the time of sale or upon application to the vendor's solicitors.

The above property will be offered for sale subject to a sealed reserve bid and free from all encumbrances, save taxes for the current year.

The vendor is informed that the above property is situated about four miles from Granum and that 110 acres have been cultivated. Improvements consist of 1½ storey house 24x18 and shell barn 18x24, and 1½ miles of fencing. The soil is brown loam with clay subsoil, and some alkali in low land.

For further particulars and conditions of sale, apply to Brownlee, Porter & Rankine, 436 Lougheed Building, Calgary, Alberta.

Dated at Calgary this 30th day of November, A. D. 1928.

Brownlee, Porter & Rankine,
Vendor's Solicitors.

CAPITAL GOSSIP AND PROV- INCIAL NEWS

Provincial Archives Collecting Historical Material

In the Provincial Library, under the direction of Hon. George Hoadley, there is a branch of Archives of the Province in which a large amount of source material of Alberta history has already been gathered. This branch is anxious to secure any manuscripts or journals containing the memories of early settlers which will serve as a historical record of the beginnings of community life, or any information respecting the existence of the same; also any existing early photographs of important persons and communities dealing with the new may be addressed to Mr. J. A. Jaffary, Provincial Librarian and Archivist, Edmonton.

Government Purchases City Property

Two blocks of frontage on 109th Street immediately North of the site of the Parliament Buildings has been purchased recently by the Provincial Government. According to plans announced by the Premier, it is proposed to erect on this property new office buildings which will accommodate the government departments at present housed in the Old Parliament Buildings and in the downtown section of the city. Provision will also be made for the establishment of the offices required at a later date to administer the natural resources when these are taken over by the province.

Rural Education in Alberta

Copies of a pamphlet entitled "Rural Education in Alberta" have recently been sent out from the office of Hon. Percival Baker, Minister of Education, to each rural school board and teacher in the province and to the locals of other rural organizations interested in educational matters. This contains an outline of the changes in the school system to be introduced by the Legislature at the coming session. Additional copies of this publication may be secured at any time from the Department of Education.

Telephone Service Steadily Growing

The steady growth of the Alberta Government Telephone System is indicated by the announcement in the monthly letter of the department that for the first time in the history of the system over 60,000 telephone stations are in operation. The exact number shown at the end of the year is 60,222 representing a gain of 3,171 during 1928. A large number of telephones have been installed recently around the following points on the new Willingdon-Edmonton line: Elk Island, St. Michael, Andrew, Griesbach, Willingdon, Starr, Josephsbach, West-ock and Beaver Hill.

Grain Commission to Hold Sit- tings in Alberta

Authority has been given by the provincial government, under the Public Inquiries Act, to the commission appointed by the government of Saskatchewan, on the grading and marketing of grain, to hold sittings in Alberta.

This action has been taken at the request of the commission itself, which has felt that in order to make its inquiries as complete as possible, it should extend them to this province also, which it could not do unless clothed with some authority from the Alberta Government. Desiring to co-operate with the sister province and to facilitate the work of its commission as much as possible, the necessary powers have now been conferred upon the commission, which will therefore have the right to hold sittings in Alberta on the same basis as in its own province. It is not known how many sittings will be held, but presumably the larger centres will be included in the itinerary and possibly some of the leading rural shipping points.

U. F. A. Concludes Successful Convention

The annual convention of the U. F. A. and U. F. W. A. of Alberta held in Edmonton during the past week has been one of the most successful events in the history of the organizations. H. W. Wood, the veteran president of the U. F. A., was unanimously re-elected to this office for his fourteenth successive term. Mrs. R. B. Gunn who has served under the leadership of the U. F. W. A. after five years service in this position will be succeeded by Mrs. A. H. Warr of Waskana.

Alberta Dairy Convention, February 6-7

Plans are now being made for the twenty-fourth annual convention of the Alberta Dairyman's Association to be held in Edmonton on February 6 and 7, 1929, under the joint auspices of the association and the provincial department of agriculture.

Included in the speakers who will address the gathering are Dr. J. A. Riddick, Dominion Dairy Commissioner; Dr. E. G. Hoad, Chief of the Federal Division of Dairy Research; Prof. W. Sadler, Professor of Dairying at the University of B. C.; Jos. Burgess, Chief of the Federal Division of Dairy Produce; and representatives of the University of Alberta and the Department of Agriculture.

The boys' and girls' dairy cattle judging competition and dairy demonstration will again be popular features of the program as will also the milk and cream competition and the DeLaval provincial and international creamery butter contests.

A. P. Moan Heads Co-operative Wholesale

The position of manager of the Alberta Co-operative Wholesale which represents some 15 co-operative stores throughout the province has been filled by the appointment of A. P. Moan who for the past 11 years has been president of the Wetaskiwin Co-operative Association. In his new capacity Mr. Moan will occupy an office in the Egg

and Poultry Pool Building at Edmon- ton.

Will Import 2,000 Pheasants

Of interest to sportsmen in the province will be the announcement that some 2,000 Mongolian and Chinese ring-necked pheasants will be imported during the coming summer by the Calgary Fish and Game Association. These birds will be liberated throughout the southern part of the province where 1,800 were placed last season as part of the Game Association's plan for restocking Alberta's game bird supply.

HEALTH SERVICE OF THE CAN- ADIAN MEDICAL ASSOCIA- TION—ARE WE HEALTHIER?

Because of the tendency to glorify the past, belittle the present and bewail the future, many persons are quite sure that we do not compare favourably with past generations in any way. Yet, we find a distinguished English scholar stating in a review of conditions in England, that "Above all, there has been an amazing transformation in the health of the people, for whom life is wider, better and longer, and death is more remote."

This conclusion is supported by a comparison of conditions in the year 1838 with those in the year 1926. In England and Wales, in 1838, the general death rate was 22.0; in 1926, 11.6. This means that in 1926, there were more than ten less deaths for every thousand of the population than there were in 1838. In other words, in this period of time, the general death rate has been cut in half. During the same period in London, the death rate of children under five years has decreased to about one-third of what it was. The result of this is that the expectancy of life at birth has been increased by over twelve years.

This represents something which is not generally appreciated, and yet it has not happened by chance. It has come about because of the interest of governments in the well-being of the people, and because during these years we have had given to us the means wherewith to control some diseases and to promote the health of the human race.

It is a fact that we today live longer, suffer less from disease and enjoy a larger measure of health than ever before. Remarkable as this progress has been, there remains much more to be done, because we are not by any means using all the power available to fight disease and promote health. More years of health will be ours if we will make the necessary effort to gain them.

Questions, concerning health, addressed to the Canadian Medical Association, 184 College Street, Toronto, will be answered personally by letter.

MACLEOD UNITED CHURCH ANNUAL MEETING

The congregation of the Macleod United Church held their annual business meeting and election of officers on Tuesday evening. Despite the severe weather there was a representative audience and the many reports were heard with splendid enthusiasm. Every part of the church work was represented and standing votes of appreciation were tendered the leaders of Sunday School work, Ladies' Aid and Young People's work as well as the young people's choir, which is doing such magnificent work in the morning service of worship, and will present the beautiful Cantata "The Galilean" at Easter this year. Words of appreciation were expressed for the work of the Senior Choir, Mr. White, and the work done by the Christmas music despite the fact that sickness made the rendition of parts very difficult. The coming Welsh concert, on February 5, will be under the auspices of the Senior Choir.

Following the reports of departmental and the several treasurers reported substantial credit balances in every department, and an overhauling of \$400 in the current expense account with no debt in any department.

The trust board of the church remains unchanged and the session and board of managers for the year 1929 are as follows:

Session—Messrs. Andrews, Gillespie, Foster, Collis, Brooks and Gray.

The stewards are—Dr. Snodgrass, John Griffin, W. A. Day, J. H. Doucillon, C. W. Stevens and B. Stephens.

The Brotherhood served cake, coffee and sandwiches.

SPEED HIM ON HIS WAY

Chairman of the Meeting: "Fren's You are gathered here tonight for the presentation of the collection we have taken for 'de benefit of our worthy pastor who is leaving us to take a church in Alabama; we could not let him go without giving him a little momentum."

NOT THAT KIND

Kind Old Gentleman: "What do you call those two kittens, Johnny?"

Small Boy: "I call 'em Tom and Harry."

K. O. G.: "Why don't you name them Cook and Peary after the great explorers?"

S. B.: "Aw, mister; these ain't pole cats."—Black and Blue Jay.

CAN'T FOOL WILLIE

Teacher: "Now, Willie, if James gave you a dog and David gave you a dog, how many dogs would you have?"

Willie: "Four."

Teacher: "Now, dear, think hard. Would you have four if James and David each gave you one?"

Willie: "Yes, I've got two dogs at home."—Totem Weekly.

MACLEOD JUNIOR HOCKEY TEAM DEFEATED GRANUM JUNIORS 2-1

A real clean snappy game of hockey was witnessed on the Macleod ice Monday night between the Junior teams of Granum and Macleod. The youngsters put up a first class brand of hockey which would be hard to beat, even by the senior teams. There was one thing about the game, it was clean from start to finish, not a single penalty being handed out, notwithstanding the fact that Referee Hart of Granum was right on the job, and let the boys understand that he would stand for no rough play.

Granum was the first to score shortly after the opening of the game, but after that the Macleod goalies, Gordell Swinerton, was right on his toes, and saved many brilliant shots from the visitors, and they could not score. The game during the remainder of the night was a close one, with Macleod having a tower of strength to its team, and a mighty hard pressed by the home boys, but he was successful in warding off the rubber from his net till near the end of the third period when Adams assisted by T. Graham placed the ball in the net for Macleod. The period finished a tie, and five minutes each way was played to decide the game. Graham assisted, by Hamilton, by a swift piece of play eluded Blair and placed the deciding goal, finishing the game 2-1 in favour of Macleod.

Marsh scored the goal for the visitors. The line up was: Granum—Goal, Blair; defense, Sherman, Marsh, forwards, Gossen, Welsh, Reynolds, Marsh, McKenzie, McCorkell.

Macleod: Goal, C. Swinerton; defense, W. Hamilton, C. Ringland; forwards, T. Graham, C. Smith, B. Adams; subs, Graham, Lambert, A. Smith, R. Hamman.

Referee Hart, Blair; defense, Sherman, Marsh, forwards, Gossen, Welsh, Reynolds, Marsh, McKenzie, McCorkell.

Macleod: Goal, C. Swinerton; defense, W. Hamilton, C. Ringland; forwards, T. Graham, C. Smith, B. Adams; subs, Graham, Lambert, A. Smith, R. Hamman.

Referee Hart, Blair; defense, Sherman, Marsh, forwards, Gossen, Welsh, Reynolds, Marsh, McKenzie, McCorkell.

MACLEOD PRESBYTERIANS PLAN CHURCH BUILDING— NEEDS OF GROWING CON- GREGATION DISCUSSED AT ST. ANDREW'S ANNUAL MEETING

The annual congregational meeting of St. Andrew's Presbyterian church was held on Wednesday evening, and despite the amount of sickness in the congregation, there was a large attendance of members and adherents present.

The meeting was opened by the minister, the Rev. Alex. Ferguson, M. A., with devotional exercises, after which J. D. Matheson, K. C., chairman of the Board of Managers, presided over the meeting. R. J. E. Gardiner, in the absence of the secretary-treasurer, Mrs. V. Ray Baker, through sickness, acted as secretary of the meeting. The report of the session given by Hugh Mackintosh, the clerk of session, was most encouraging. There had been a number of deaths and removals, but these vacant places had been filled by a number of new members.

The report of the Ladies' Aid showed a wonderful year's work accomplished, ending the year with a credit balance of considerably over \$800.00.

The Rev. W. M. S. also showed a remarkable year of progress and work done in support of the women's sections of the missionary enterprises of the church at home and abroad. The Sunday school and the young people's different societies of the congregation all presented splendid reports, showing advancement all along the line.

The financial report of the managers of the general fund of the church was most encouraging; in fact, when all monies are in there will be a good balance on the right side of the ledger, with all liabilities wiped off. This is all the more satisfactory when it is considered that the church was without a minister for about three months during the year. When the balances of the funds of the various organizations are totaled up, they show over \$800 on hand to start the new year which shows that old St. Andrew's of Macleod is still an active and lively member of the Presbyterian church in Canada.

A most important matter was discussed at the meeting, viz., the question of building a new church. The old church, which is claimed to be either the first or second Presbyterian church built in Alberta, has done its duty and was quite adequate for the requirements of a day gone by, but today churches require proper accommodation to carry on the work of organizations within the church that were never thought of in past years. If a congregation is to succeed nowadays it must have the proper facilities for carrying on the work, especially among the young. A committee of three was appointed to take immediate steps toward the building of a church, to report to a meeting of the congregation to be called at a later date.

Managers Elected

Four managers retired at the end of the year, and the following were elected for a term of two years: T. B. Armstrong and Geo. McFarquhar, re-elected, and Mrs. V. B. Baker and Chief of Police John Frindle.

Votes of thanks to the officers of the various organizations closed a most successful and harmonious annual meeting, after which the ladies as usual served a bountiful supply of refreshments.

OPTICAL DELUSION

"Which is farther away," asked a teacher, "England or the moon?"

"England," the children answered quickly.

"England?" she questioned.

"What makes you think that?"

"Cause we can see the moon, and we can't see England," answered one of the brightest of the class.—New Outlook.

NATURALLY

A Negro cook answered the telephone the other morning, and a cheerful voice inquired: "What number is this?"

The cook, in no mood for trifling questions, said with some asperity: "You ought to know. You done called it."—Charleston News and Courier.

THE PRACTICE HOUR

"Why aren't you practicing your piano lesson, Judy?"

"But I am, Mother."

"I don't hear you."

"Well you see I'm running over the rests."

A waste basket must emit a circular letter that has crossed the country in a plane.

ELECTION TACTICS TO FEAT- URE BRITISH SESSION

London, Jan. 19.—(By Geo. Hambleton, staff correspondent of the Canadian Press.)—Parliament resumes its final session on January 22, the principal business before it is the long and complicated de-rating bill which the government plans will relieve productive industries—agricultural, industrial and transportation concerns, of some of the weight of local taxation. But, important as this measure may be, the coming weeks will be followed with interest more as a "curtain raiser" to the general elections.

Mr. Hon. David Lloyd George, convening on the Mediterranean, will not be present to lead the Liberal forces at the opening. But for the first time no effort will be spared to secure a tactical advantage in preparations for the coming fight.

Two Developments

The last few days have seen two significant developments in the political world. On the one hand the National Farmers' Union threatens a revolt against the government unless safeguarding or a measure of tariff protection is extended to agriculture. On the other hand, Sir Herbert Samuel has pledged the Liberal party to support the movement for home rule in Scotland. Sir Herbert's declaration made in North Middlethian's by-election campaign has brought Scottish nationalism to the forefront of political discussion. Although one of the four candidates in North Middlethian, Lewis Spence, stands on the definite issue of equal status as between England and Scotland, little was published north of the Tweed on the Scottish nationalist campaign.

Coal Problem

A report from the ministry of mines shows that for the quarter commencing last September there was a loss of nearly thirty-four cents a ton over the whole output of the coal industry. The number of workers employed in the mines fell from 1,070,000 to 850,000 in the same period and the extent to which the miners are being forced in certain cases to work short shifts is shown in the fact that earnings of those at work now average only about \$9.16 a week.

Explains Drop

At the same time figures submitted to the League of Nations' economic committee at Geneva show that while coal production dropped in Great Britain since the war, in all other coal producing countries of Europe production has increased. For this a variety of explanations are advanced. Some attribute the condition to payment by Germany of reparations to Italy in coal, while others take the ground that in addition to a lessened use of coal owing to the adoption of oil fuel, too rapid resumption of the gold basis currency of the British Empire, including coal. Again there is the charge that the mines' post-war strikes resulted in a shortage of foreign orders to the continental mines and that the latter have since largely retained this business.

FUNERAL OF MISS ANNA M. WILSON

Very marked sorrow and sympathy was manifested Friday afternoon January 18th when the funeral services were held at Christ Church, Macleod, for the late Miss Anna M. Wilson, who died on Wednesday morning. The church was packed with a large number outside who could not gain admittance. The large display of floral tributes fully testified to the high esteem in which the deceased was held by a wide circle of friends, both in town and country.

The Rev. F. Randall Poirer, rector of the church, of which Miss Wilson was a member, conducted the services at the church and at the graveside. When the rector concluded the service at the grave the members of Mountain View Rebekah Lodge, No. 23, I. O. O. F., conducted the beautiful funeral rites of the deceased.

Miss Wilson was one of the charter members of the lodge when it was instituted 16 or 17 years ago, and has been a faithful and enthusiastic member during all these years. In spite of the cold, stormy afternoon, about 30 of the sisters of the lodge were present at the cemetery and took part in the ceremony. Past Grand Sisters Lecky, Whitworth and Sutherland conducted the service. The pallbearers were: F. Forster Brown, Wesley Shield, R. D. McNay, R. H. Richardson, Norman Grier and G. H. Lang.

OUT OF REACH

A tourist passing through a small country town noticed a post on which the river had risen during a recent flood.

"Do you mean to say," he asked an inhabitant, "that the river rose as high as six feet?"

"Oh, no," was the reply, "but the children used to rub off the original mark, so the mayor ordered it to be put higher up, out of their reach."—Weekly Scotsman.

BETWEEN GALLONS

Motoring: "How do you figure that five gallons of gas at 20 cents a gallon makes \$1.00?"

Filling Station Attendant: "The price went up to 22 cents before I put in the last three gallons."—Life.

A SYNONYM

The Porter: "Lady in No. 4 wants me to tell her when she reaches her 'destination.' I reckon she means destination."

The Conductor: "Her ticket leads to Torpor City, where I used to live. It's all the same."—Detroit News.

The best illustration of a psychological moment is that we fraction of time when a cantaloupe is neither too green nor too ripe.

MACLEOD LOSES EXHIBITION GAME TO MEDICINE HAT MONARCHS 6-2

A fast and clean hockey game was witnessed at Medicine Hat Friday night between Macleod and Medicine Hat Monarchs, the latter winning by the score of 6 to 2. This score, however, does not represent the true calibre of the game. A splendid sheet of ice was provided for the players and both teams gave the fans a splendid exhibition of hockey. In the first period the Monarchs had a big edge on Macleod, flipping the disc fast Stubbart on four occasions, McKay scoring twice and Holley and V. Buckles registering once. McKay bulged the twine for the lone tally in second period.

The third period Macleod and Dillingham scored for Macleod and Knight replied for the Monarchs. Out standing players for Macleod were Dawson and McKay, and for the locals McKay, Holley and Thompson. About five hundred fans witnessed the game.

Line-ups

Macleod—Goal, Stubbart; defense, Dawson and Jenkins; forwards, Dillingham, Kirk, Carr, McLeod and Maloney.

Monarchs—Goal, Slater; defense, Knight and S. Buckles; forwards, Holley, McKay, Nelson, Thompson, V. Buckles and Nichols.

Referee, Dr. MacNichol.

Timekeepers, G. Pauling and W. Gray.

INTERESTING PROGRAM AT STAND-OFF W. L. MEET

The Stand-off Women's Institute held two meetings recently at the home of Mrs. C. Johnson and Mrs. D. Cyr. Mrs. Wm. Murphy gave a paper on Canadian Nationalization and it was considered one of the best addresses that has been given at the Institute meetings. Mrs. Murphy treated her subject in a most interesting and broad-minded manner.

One lady remarked that such an address should be published in full. Mrs. Blakely McNeil also gave a very instructive paper on National Events during the year 1928, which was also very much appreciated.

The election of officers for 1929 took place, when the following were elected: President, Mrs. A. E. Skelding; re-elected; first vice-president, Mrs. J. McNeil; re-elected; second vice-president, Mrs. G. P. Rowe; secretary-treasurer, Mrs. B. McNeil; executive committee, Mrs. C. Johnson, Mrs. E. Murphy, Mrs. N. Wynd, Mrs. W. Hovis, Mrs. H. G. Long, Mrs. E. Moore, Mrs. A. Hovis. The executive represents the number of school districts covered by the Institute.

Interesting presentations were made at the meeting. The president, Mrs. Skelding, was presented with a handsome down comforter; Mrs. E. W. Whipple, the retiring secretary, with a mahogany mantle clock; to Mr. and Mrs. B. McNeil for special services in printing names on a quilt, a smoking set and a silver cake dish. A shower was given to a recent bride member, Mrs. Hall, nee Irene Hatton.

The financial report for the year showed the Institute in a very healthy condition; \$224 had been raised, which had all been

AFFECTION'S BOND

Family life is rapidly decaying because the traditional bonds that used to hold it together are giving way under the changed conditions of modern life.

This is according to Dr. W. F. Ogburn of the University of Chicago.

In the old days, said Dr. Ogburn, families were held together by seven ties—affection, economics, religion, protection, recreation, education and family status.

"There remains of these original ties now only the tie of affection which really binds," he says. "The other six, while not entirely gone, are nearly so and it is only that first one which holds most families together now."

This statement of the case, somehow, fails to prove as terrifying as Dr. Ogburn seems to find it. To say that families are held together by nothing but affection is like complaining that only the fact that they fall in love impels young people to get married. There may be only one element involved, yet it is strong enough and inclusive enough to make up for the lack of the others.

In surveying the changes which modern time has brought we are apt to color bygone scenes with too rosy tints. It is quite possible to admit that families held together more firmly a century ago than now without admitting that that condition was better than the present one.

In the vast majority of cases it is to be doubted whether any very worth-while end is gained if any bond other than the bond of affection holds people together. It isn't pleasant to think of a family whose members all desire freedom and yearn to go their separate ways, held cooped together in one house by the requirements of bread and butter.

Wives forced to cling to drunken

MACLEOD TOWN COUNCIL WILL ENTERTAIN RATEPAYERS AT DANCE AND CARD PARTY

A Municipal Dance and Card Party will be given by the Town Councilors on the evening of Wednesday, January 30th, 1929. The dancing will be held in the Hudson's Bay Hall from nine o'clock. Cards will be played in the Elks' Hall from eight o'clock.

This is the first celebration of this kind that the Town has had. Owing to the specially good fortune of the ratepayers in having their taxes and electric light rates reduced, it was thought that an opportunity should be given for all

ratepayers to get together and have a good social evening. Further substantial reductions both in the tax rate and electric light rate are anticipated for the present year.

Every person who is a resident of the Town of Macleod is invited to this social good time. The proceedings are, of course, free to all of the citizens.

OPPORTUNITY

"I am willing," cried the candidate with a great show of feeling, "to trust the people."

"Say," spoke up a heckler in the rear of the crowd, "I wish you'd open a grocery in this part of town."

Capper's Weekly.

TAXES GOING UP
Budget comment overheard on a tramcar yesterday:
First Ratepayer: "I think the Budget ought to set industry on its feet."

Second Ditto: "Yes, old chap—and a good many motorists on theirs."—Glasgow Herald.

WAY BACK
Doubtful Lady (to little girl telling a story): "But I am sure you can't remember as far back as that! It is such a long time ago!"
Child: "Oh, yes, I can. I can remember a long way back—way back before there was any Lindeberg."

SOCIAL ITEM
Suburbanite: "Oh, here's a paragraph about us in the paper!"
His wife: "Is there really? What does it say?"
Suburbanite: "In the month of March 15,372,364 persons traveled in the buses."

AT THE SALE
Smith: "I say, I understand you're the firm's detective?"
Store Detective: "I am, sir."
Smith: "Jolly fine! Would you mind ferreting out my wife for me?"—Humorist.

YES, INDEED
"Thankful! What have I got to be thankful for? I can't even pay my bills."
"Why, man, be thankful that you are not one of our creditors."—Montreal Star.

AIAS, IT IS ONLY A JOKE!
"That stenographer of yours is remarkably speedy."
"Yes, indeed. If she worked any faster she would have to use a water-cooled typewriter with an asbestos ribbon."

TWAS STRANGE
She: "What's so funny in that advertising page?"
He (reads): "Bird cage and parrot offered by refined young lady having green feathers and a yellow beak."

MODERN THEATERS
"Get good seats in the movie palace?"
"Rather. We were able to get a couple within walking distance of the entrance."—Los Angeles Times.

POSTPONED
Blinks: "When are you going to take an aeroplane trip?"
Jinks: "Not until after the law of gravitation has been repealed."—Cincinnati Enquirer.

HE WOULD BE
Smith: "Jones is puzzled."
Brown: "Why so?"
Smith: "He wants to talk about his new car and his clever little boy at the same time."

PRETTY SOFT
"So Barker is doing a cash business and making lots of money."
"Yes, he's feathering his nest with down payments, so to speak."—Boston Transcript.

MAKE IT WORK
Inventor (to capitalist): "This, sir, is an epoch-making machine."
Capitalist: "It it? All right! Let me see it make an epoch."—Christian Register.

WITH THE RED STRIPES
"That was good bacon, dear."
"I'm so glad you liked it. I've saved a sample and I'll get more to match it."

MODERN APOTHECARY
"I never have to go out of my neighborhood for a single thing."
"We have one of those drugstores near us, too."
Society note: Mr. Vanlip Depay bought a plane last week and is survived by a widow and two children.

Empress Theater Current Attractions

FIFTEEN FEATURES OF "SUN-RISE," THE WORLD'S GREATEST PICTURE. EMPRESS THURS.—FRI.—SAT., JAN. 24, 25 and 26

1—Drama—An intense drama of everyday life of people who are Real—who Love—who Hate—who Sin—who Repent.

2—Romance—The joys of two people who find again the overpowering love which made them mates.

3—Humor—Rich, wholesome comedy that runs the scale from the Tender and wistful to the Boisterous and Gay.

4—Passion—A man so enslaved by the seductive lure of a siren that he forgets home and honor.

5—Fathos—A devoted wife realizes that the man of her heart is slipping from her embrace into the clutches of a vampire.

6—Temptation—A husband so blinded by lust that he listens even to thoughts of murdering his own wife.

7—Remorse—A man saved by his conscience but scourged by remorse, presents a pathetic figure in his attempt to redeem himself.

8—Adventure—A re-united couple cast loose from home ties, find themselves forced by fate to explore a strange city.

9—Revenge—Justice triumphant over lust—by the very plan she had evolved to snare her prey—the temptress loses him forever.

10—Suspense—A powerful story unfolding to an ending you can not guess until the final fade-out.

11—Surprise—The most novel photo play ever employed in the making of a picture—effects that are beautiful—original—startling.

12—Spectacle—Scenes that will make you grasp an entire city especially built—an amusement park that fairly shouts that it is real—a tempest at sea that will hold you transfixed in your seats.

13—Janet Gaynor—Superb—Marvelous—Inspiring. Her art is perfection itself, far greater even than her role in "7th Heaven."

14—George O'Brien—Strong—Fearless—Desired—whose amazing performance as the central figure is one of the most electrifying portrayals in the history of motion pictures.

15—F. W. Murnau—Foremost among the world's motion picture directors who has blended all these factors into the most important motion picture ever made.

MANY STARS OF SCREEN SEEN IN "SHOW PEOPLE"—CHAPLIN, FAIRBANKS, GILBERT, DANE, HART, LA ROCQUE ACT AS EXTRAS—DAVIES, HAINES STARS—ADOREE, WINDSOR, TAYLOR, JOY, PRINGLE, SEBASTIAN, MORAN, DO FEMINE BITS

When King Vidor was filming "Show People," due at the Empress Theatre Monday and Tuesday, Jan. 28th and 29th, in which Marion Davies and William Haines are co-starred, he got around that part of the script which called for the appearance of a number of motion picture stars rather handsly.

Figuring that Charlie Chaplin probably could play himself, in the picture life behind the scenes at Hollywood, just as well as, if not a bit better than any other actor, he got Chaplin to do that particular bit out of friendship. So Chaplin does a scene with Miss Davies, in which he is himself, not in comedy costume. Harry Crocker, Chaplin's studio manager, also does a bit.

In the same way, when Vidor wished to show a group of famous picture players at lunch, he didn't have a number of extras disguise themselves as the characters, but persuaded the characters themselves to play themselves. Thus, in the luncheon scene, the extras are:

Grannum—G. D. Radke, Agt. Brocket—Bosenberry Bros., Agts. Macleod—Alex McLeod, Agt. Meadow Creek—A. C. Watson, Agt.

REGULAR MEETING MACLEOD TOWN COUNCIL.

The Macleod Town Council met on Monday evening for the regular meeting, Mayor J. W. McDonald, K. C., presiding.

The Councillors present were: J. Swinerton, W. A. Day, C. W. Stevens, Alex. McLeod, Claude Tweed, W. O. Hoodless.

The Medical Officer's report was presented, which showed that the town was practically free from serious diseases only a few cases of chickenpox.

The regular routine business was gone through, including the passing of the monthly accounts for payment.

A number of offers were received for lot 18 on the south side of 24th street, on the corner of Third ave. The matter was referred to the Works and Property Committee, who have decided to put the lot up for sale by tender.

Moved by J. Swinerton and W. O. Hoodless, that lots 16, 17 and 18, on the north side of 23rd street, with buildings, be sold to Geo. H. Scougall for the sum of \$750.00.—Carried.

D. E. Ringland asked for a reduction on the Water and Light for the Skating Rink, referred to the Water and Light Committee.

The By-law appointing Assessor for the year and returning Officer for the coming election was passed the final stages.

Mayor J. W. McDonald, K. C. and Councillors J. Swinerton, W. A. Day and C. W. Stevens, retire this year, and nominations will be held on Monday, February 4th and the election on Monday, February 11th.

CARD OF THANKS

Mrs. M. E. Tripp, Mrs. L. J. Walker and Miss L. A. Wilson wish to thank the many friends and acquaintances who were so helpful and sympathetic on the occasion of their recent sad bereavement, in the death of their sister, Miss A. M. Wilson. Also to thank the many donors of beautiful floral tributes.

Mrs. Graham McNamee says she helps her husband by criticising him. Her husband is very original, also.

An INVITATION

SPECIAL PRESENTATION of The Outstanding Chevrolet of Chevrolet History

EVERYONE is familiar with Chevrolet's brilliant record of past success, but the new Chevrolet represents the most spectacular of all its achievements introducing a new conception of motor car value.

It is with pleasure, therefore, that we announce our ability to secure the services of a Chevrolet factory expert to conduct for us a special presentation of the Outstanding Chevrolet of Chevrolet History.

This presentation comprises a complete, thorough explanation of this sensational new car—and, in addition, a special series of illuminated slides and a motion picture of unusual interest entitled "With Chevrolet Across Canada."

Everyone is interested in the latest automobile developments! Everyone is cordially invited to attend! Make a note of the time and place.

ANNUAL RATEPAYERS' MEETING—TOWN OF MACLEOD

On Friday evening, the 25th January, 1929, there will be held in the Town Hall the statutory Town meeting at which the Mayor and Councillors will give an account of their stewardship to the rate payers of the Town.

It is urgently requested by the Mayor and Councillors that all the interested ratepayers shall be present to make suggestions or offer criticisms and to hear of the financial affairs of the Town.

It is only reasonable to expect that any person who has any adverse criticisms of any of the work of the Councillors shall be present and tell the Mayor and Councillors of these criticisms so that they may be able to answer them. They cannot very well answer criticisms made when they are not present at the making of them; in fact, they are entitled to disregard all such.

The worm will turn. In fact, there's nothing you can step on with impunity—not even the gas.

LOCAL AND PERSONAL NEWS

J. W. McDonald, K. C., was a Lethbridge business visitor on Friday of last week.

The Rev. Canon Morrick of Red Deer is the guest of Dr. and Mrs. Alan Kennedy.

Mrs. Taber and Mrs. M. Dowsett are visiting in Lethbridge this week at the home of Mrs. Taber's daughter, Mrs. Sontor.

The annual meeting of the ratepayers of Olsen Creek was held last Friday, with only a small attendance present. Reports presented were satisfactory. Alex Schnarr the retiring Trustee was re-elected and E. L. Elsin as Chairman and R. J. E. Gardiner as Secretary-Treasurer. The Ratepayers are rejoicing in the fact of having had the School moved to the fine new location on the Main

Road. New cloak rooms and other improvements are to be added making it a fine up-to-date school.

J. Young, of Young & Co., was a Lethbridge business visitor on Monday of this week.

J. W. McDonald, K. C., was a business visitor to Blairmore on Wednesday of this week.

Mr. and Mrs. R. J. Jones, of Beaver Heights, are visiting in Macleod this week at the home of Mrs. Taber.

E. J. Don Rowand, of Calgary, representing the Phoenix Insurance Company of London, England, was a business visitor in Macleod this week.

C. C. Bremner, Inspector of Schools, Macleod, returned on Tuesday night from Edmonton, where he had been attending a special conference of the School Inspectors of the Province.

Aubrey Bright, of Lethbridge, was a visitor to his parents Mr. and Mrs. H. W. Bright, on Sunday. He was accompanied by his aunt, Mrs. A. Mitchell, and his cousin, Archie Mitchell.

Geo. H. Seougan and Wm. Johnston returned on Friday morning from Regina where they were attending a special convention and school of instruction held by the Chevrolet Motor Car Company for their western dealers and salesmen.

Miss B. H. Jackson, who has been visiting for the last three months with her aunt, Mrs. J. A. Ringland, left for her home in Toronto on Saturday. Mrs. Ringland accompanied her to Lethbridge, and attended the Dumbell Revue, "Why Worry."

W. F. Reid and A. J. Fraser of Calgary, from the office of Harvey and Morrison, chartered accountants the official auditors for the Town of Macleod, are in Macleod this week giving the final check up of the town books, previous to the annual ratepayers meeting to be held on Friday, January 25th, in the Town Hall.

Mrs. V. R. Baker, Mrs. J. E. Ramsbottom, Mrs. Wesley Shield and Mrs. J. Smith paid a fraternal visit to the Royal Purple Lodge, Lethbridge, on Tuesday evening, the occasion being the installation of the officers and the visit of the Leading Lady of the Royal Purple of Alberta.

A disastrous farm fire took place at Spring Point on Saturday evening last. Harry Marshall's dwelling house was burned to the ground and not a single article of the contents were saved. It appears that after supper Harry made up the fire in the stove and went on a visit to one of his neighbours, and on returning after 11 o'clock found the house a blazing furnace. He tried to save some of his clothes by breaking one of the windows, but was not successful, the fire driving him

THE cleansing of your skin and scalp is of the utmost importance if you would add youth and attractive personality to your life. We know the scientific way and are thoroughly equipped.

back. It is reported that the loss is partly covered by insurance. Mr. Marshall is the secretary-treasurer of the school district, and the books, which were all ready for the auditor, were all destroyed.

J. A. Booth returned on Monday morning from Lloyminster, where he had been called by the death of his step-father, J. Shore. Mr. Shore was a victim of the flu. On Mr. Booth's arrival home he found his mother also suffering from the same malady and he delayed his return till she was on the way to recovery.

On Friday evening the Rev. Alex Ferguson, M. A., at St. Andrew's Presbyterian Manse united in marriage William Moran and Eleanor Lucile Taylor, both of Nanton. The bride was attended by Miss Mary Moran, sister of the groom, and Maurice McIntyre supported the groom. The young couple after a short honeymoon will make their home in the Nanton district.

Lester Jackman, of Porcupine Hills, had the misfortune Saturday of injuring the pupil of his left eye while splitting firewood. It appears that a stick flew up and hit him in the eye, cutting the pupil. What makes the case so bad is that Lester lost his right eye some years ago while chopping wood. It is doubtful if he will ever have good sight again.

Macleod is likely soon to see the coming of its first airplane. Two local devotees of flying—W. O. Hoodless of the Speedway Garage and Capt. D. W. Davis—are making arrangements to purchase a machine, although plans for the deal are not as yet consummated. Mr. Hoodless is negotiating for the purchase of the plane, while Capt. Davis, who had a wide experience during the war in the flying corps, will pilot it. The type of machine contemplated by the local men is not announced.

F. E. Neville, of Daysland, was a visitor in town on Tuesday, making arrangements for removing to Macleod. Mr. Neville is taking over the position held by T. Goodsir at the Alberta Telephone Office, on Feb. 1st. Mr. Goodsir has been promoted to Camrose to take charge of the telephone plant in that city. Mr. Neville has a family of four—all going to school, the eldest being in the high school. Mrs. Neville and the family will not arrive in Macleod till the close of the schools on July 1st.

The sad news was received in Macleod last week-end by Mrs. Ashley Grier, of the death in Edmonton of Alex Watson, Sr. The telegram did not state the cause of death or how long he had been sick. It is only a few years ago since the Watson family moved to Edmonton. They had been residents of Macleod for many years, the family having grown up in Macleod and got their education at the Macleod schools. Mr. Watson was for many years an employee of the C. P. R., and was very highly respected by a large circle of friends. He leaves to mourn his decease Mrs. Watson, 3 sons—Alex, Jr., Willie and John. Three daughters, Margaret, Nellie and Betty. The sincere sympathy of all their old friends in Macleod go to the family in their bereavement.

Lethbridge attending the I. H. C. School.

Miss Irene Christensen is still a patient in the Chesholm Hospital receiving treatments. She is improving nicely and is expected home on Saturday of this week.

Mr. and Mrs. Frank Matheson, of Granum, wish to announce the engagement of their eldest daughter, Christina May, to Alvin H. Soby, of Calgary, the wedding to take place some time this month in Calgary.

Angus McGillis, of Edmonton, formerly of Granum, was a visitor in town on Wednesday of this week on his way to Pincher Creek where he has accepted a position in the King Edward Hotel, managed by Thos. Flaherty.

On Monday evening the Granum Old Timers' Society held another roundup which was a rarin' success from all accounts. Cards were played until the music struck up at which time the couples forsook the tables and turned their attention to the dance floor which was kept busy until an early hour. These Old Timers' Gatherings are rapidly gaining favor judging from the increasing turnouts.

The Women's Institute met in Reynolds' hall on Wednesday afternoon last. Mrs. Vant, president, in the chair. After reading of the minutes the meeting was given over to Mr. Bond of the educational department, who gave a very instructive and practical address on "Food and How to Prepare It." Those present agree that it was one of the most profitable afternoons the institute had spent for a long time.

The ladies of the U. F. W. A. were hostesses on Monday evening to the appetites of the public at large, when a chicken supper was the centre of attraction. Reynolds' Hall was the scene of the gathering and a large number of citizens sat down to the tables loaded with good things to eat. At the conclusion of the supper a short musical program was given, the artists being Mrs. P. S. Clarke, G. C. Shapter, and O. U. Robinson.

There will be a big entertainment night in Granum within two week's time when the Granum Numb Bells are putting on a big evening of humor, drama and musical numbers. The company comprises the dramatic and musical talent of the district in a well balanced evening of real vaudeville entertainment. The probable date will be a week from the coming Wednesday, further particulars to be announced in next week's "Times."

One of our most popular young ladies, Miss Lena Matheson, was very effectively "showered" in the home of her parents on Thursday afternoon last. It required a large table to hold all the gifts from friends old and new, and many useful and beautiful articles were presented to the prospective bride. Miss Matheson has lived here all her life and has taught in Chesholm for several years. She will be followed to her new home by the good wishes of a large circle of friends.
